the tour

The Otago Central Rail Trail is ideal for cyclists who wish to see some spectacular Central Otago scenery, at an easy pace, on flat gravelled terrain.

Trains typically travel through hills, around hills but (if it can be avoided) not uphill (the maximum gradient is 2%).

The Rail Trail runs for 150kms between Clyde and Middlemarch (close to Dunedin), passing through the towns of Clyde, Alexandra, Chatto Creek, Omakau, Lauder, Otarehua, Wedderburn, Ranfurly, Waipiata and Hyde.

at a glance

Day 1	Clyde to Lauder	44km
Day 2	Lauder to Ranfurly	48km
Day 3	Ranfurly to Hyde	33km
Day 4	Hyde to Middlemarch - Queenstown	40km

trip grading

To determine the grade of a particular adventure we consider a number of factors. These include the condition of the terrain, the altitude, the number of pass crossings and the length of the trip.

The Otago Central Rail Trail is graded Easy: An average level of fitness, you should be comfortable biking 15 to 20km on well-formed tracks and roads with very little incline.

about your guide

Our guides are very experienced, friendly walkers and bikers who love to share their knowledge of New Zealand's flora and fauna and local history.

They all hold current first aid certificates, passenger driving licences and are the very best people to ensure your experience will be one to remember.

Pre Tour

Our vehicle drives down to Queenstown on the day prior to the tour starting. If you require a ride from Christchurch please let us know at the time of booking. This is available at no extra cost to you but you will need to organise your own accommodation and meals in Queenstown.

Day 1 Clyde to Lauder - 44km biking

We will collect you from your accommodation in Queenstown and drive through to Clyde. We ride from Clyde to Alexandra, and then through the flat rural countryside to Chatto Creek. The trail then starts to rise before levelling off at Omakau, where we briefly leave the trail and take a short ride around the quaint township of Ophir.

The highlights of today are the wooden trestle Muttontown Viaduct; the Old Tucker Hill gold diggings; views of the Dunstan Mountains and Raggedy Range; and (hopefully) sighting brown trout in the Manuherikia River.

Dinner tonight is at a local cafe - BYO so you are welcome to bring some wine to enjoy with your meal.

Day 2 Lauder to Ranfurly - 48km biking

This morning we make a side trip in the bus to the historic gold-mining town of St Bathans, and walk around the beautiful Blue Lake.

We return to Lauder where we start today's biking. Today we bike through two tunnels and over two rail bridges and follow along above a willow tree edged gorge and welcoming river pools. We finally emerge into the scenic Idaburn valley, and then have a last easy climb up to the summit of the trail. We then enjoy the descent down to the art deco township of Ranfurly.

The highlights of today include the engineering marvel of the Poolburn Gorge Viaduct and tunnels; the vast wide open Ida Valley (made famous by the artist Grahame Sydney); the Idaburn dam (known for its winter curling); and a trip to Hayes Engineering Works (Hayes invented the wire strainer, pulley block and cattle stop at the beginning of the 20th century); and visiting the town of Wedderburn.

Day 3 Ranfurly to Hyde - 33km biking

This morning we drive to Naseby, which is a small forestry township, and play a game of curling (if you can imagine bowls on ice then you are on the right track....they have the only dedicated curling rink in the Southern Hemisphere).

From Naseby drive to Ranfurly where we start today's ride. We ride the trail to Waipiata and along the edge of an old lake, before entering the Taieri Gorge. The trail then crosses through further tunnels and bridges..... before a fast downhill to the end of today's cycling at Hyde.

The highlights of today's itinerary include curling at Naseby, crossing the vast Maniototo Plains; following the Taieri River as it snakes around the Rock and Pillar Range; crossing the stone bridge over Cap Burn; and experiencing the 32 metre high Price's Creek Viaduct, and the 152 metre long tunnel.

Day 4 Hyde to Middlemarch - Queenstown - 40km biking

The highlight of the final day's ride includes views of the Rock and Pillar and Taieri Ranges; the Hyde Railway Disaster memorial; and dropping down into the Strath Taieri Plain.

We end at Middlemarch – which is a small farming town that is well known for the Easter Singles Ball. Girls travel there to meet eligible rugged young Southern Men who come down to the ball from their hill country stations.

After lunch we drive to historic Kawarau Bridge to the AJ Hackett bungy centre where we get on the bikes and ride alongside the Arrow River crossing over two very impressive suspension bridges until we arrive in Arrowtown. From Arrowtown we then drive to Queenstown and drop you off at your accommodation.

This is a fantastic trip, particularly for novice cyclists who want to experience the wonderful scenery and pioneering history of Central Otago.

The Otago Rail Trail

FAQ's - frequently asked questions - continued

What's the best time to do a tour? New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or fine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you. Gear lists are in our trip notes for each tour.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and has longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.

Do I have breakfast on the first day or is this included? Your tour starts after we pick you up on the first day so please come having had breakfast. After this all meals on tour are included for you as per the trip inclusions in your itinerary.

What sort of food do you provide? We provide continental breakfasts, either café or packed lunches, and an evening meal either in-house at your accommodation, or dining out at a local restaurant. We can cater for vegetarian, vegan, gluten free and dairy free diets, and most food allergies, however these need to be advised at the time of booking.

Do you provide alcohol? No but this can be purchased each evening with your meal, or you are welcome to bring a small amount for your own personal consumption. BYO is not available when dining at licensed premises.

Do I need to come ready to walk or cycle? Yes, please come dressed ready to walk or cycle with your overnight bag packed ready for the transport. During the day you will not have access to your overnight bag so please make sure to have all the items you require for use during the day, packed in a day pack for easy access. For some of the tours there is a ride of up to several hours in the bus to get to your start location, if you are not comfortable travelling in full walk or cycle gear, please have this readily available to change into before the walk/ride starts.

Can I fly in/fly out the same day? Ideally, we recommend you arrive the day prior to your tour and depart the morning after the tour finishes just in case there are any unexpected delays or cancellations to your flights.

Can I bring my own bike for the cycle tours? Yes, please make sure it has been serviced and is fit for purpose for the trail you are undertaking. If you are not sure, please check with our office staff on booking.

What comes with the hire bikes? Our hire E bikes, and standard bikes all come with a comfortable memory foam saddle and a rack bag for carrying your jacket, phone, and a drink bottle. Helmets and hi-vis garments are issued with each bike, and as helmets are required by law in New Zealand, we ask riders to wear these at all times while riding. The support vehicle is never far away if you need access to other items of your clothing or equipment.

How much luggage can I bring on tour? Space is limited so we would appreciate if you could please keep your luggage to one hand carry and one overnight bag or suitcase max 20kg. For the Abel Tasman we provide a bag for you to pack into (please see trip notes for the Abel Tasman tours) and for Queen Charlotte tours please limit luggage to 15kg as there are restrictions on the size and weight of bags that can be transported on the water taxis. On some of the hiking tours you may be required to carry your own pack, this is specified in the packing list for your tour.

Are all your tours guided?

Our walking tours, with the exception of the Queen Charlotte Boat stay tour, are all guided by a knowledgeable local guide, they provide information on the terrain you are passing through as well as logistical support.

On a cycle tour we provide a support vehicle and driver-guide throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike a section of the trail with you to highlight places of interest or point out directions, but they do not guide the full trail. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.

If there is something we have not covered in these FAQ's please feel free to call **0800 377 378** or email our office team for further assistance.
