## the tour

The Tuatapere **Hump Ridge Track Walk** in the Fiordland National Park, is tucked away in the Waitutu forest, an ancient native forest on marine terraces. The Waitutu Forest was famously described by botanist Professor David Bellamy as 'probably the most important forest in the world'. This guided walk over moderate terrain is in the heart of south-west New Zealand's Te Wahipounamu area — a UNESCO World Heritage Site.

Mountains, rivers, birdlife, and virgin podocarp forests abound. Come and enjoy one of New Zealand's wildest and most beautiful areas.

## at a glance

Day 1	Tuatapere to Okaka Lodge	12km
Day 2	Okaka Lodge to Port Craig Lodge	20km
Day 3	Port Craig Lodge to Tuatapere	20km

## trip grading

To determine the grade of a particular adventure we consider a number of factors. These include the condition of the terrain, the altitude, the number of pass crossings and the length of the trip. **The Hump Ridge Track Walk** is graded Moderate: Fitness Level :A moderate to high level of fitness is required to complete this walk. If you are not a regular walker we suggest you begin a daily walking programme at least 8 weeks before your departure. Gradually increase the distance you walk and introduce a backpack with some weight inside. Staircase or hill climbing is strongly recommended as you will be climbing over 800M on the first day of your walk. The track surfaces vary from smooth well formed paths to rough terrain broken by rocks and tree roots. If you feel your fitness is not up to the required level for the climb on the first day we can offer you the option of a helicopter flight to the lodge for an additional cost.

## about your guide

Our guides are very experienced, friendly walkers and bikers who love to share their knowledge of New Zealand's flora and fauna and local history. They all hold current first aid certificates, and are the very best people to ensure your experience will be one to remember.

## itinerary

### Pre Tour

Your Humpridge Track experience begins with check-in at the Humpridge Track office at 31 Orawia Road, Tuatapere. Then, you can check-in at your pre-departure Bed & Breakfast accommodation at the Last Light Lodge at 2 Clifden Highway, Tuatapere.

Meet your guides and fellow walkers at 6:30pm on the day prior to departure at the Last Light Lodge. There you will be given a comprehensive account of what to expect on your walk. Afterwards, you may join your guides for an optional dinner at the Last Light Lodge (additional cost applies). Your guides will be in touch by e-mail prior to your walk about this optional dinner and to collect some information from you.

### Day 1 Tuatapere to Okaka Lodge - 12km walking - 5 to 6 hours

On the morning of departure, the Humpridge shuttle will collect you from the Last Light Lodge where you will begin your trip with a short drive to the helipad. You will board the helicopter for a scenic ride across Te Waewae Bay alighting at Flat Creek. Your pack will be flown to the lodge at Okaka and you will carry just your wet and cold weather gear, your lunch, water and any essential medication.

Please note there is a maximum weight of 12kgs per helipack. This pack is the one you will carry on Day 2 & Day 3 so keep it as economically packed as possible. Remember you are the one who will carry it for the next two days. You may store your excess baggage at our office. If arriving in your own vehicle, it can be left parked safely at the Last Light Lodge.

A scenic helicopter ride over Te Waewae Bay delivers you to the start of your walk. You will climb up to the top of the Hump Ridge, experiencing our beautiful bush first hand as it changes dramatically with elevation as you head up the ridge to the Stag Point where the trees part and you are welcomed by the beautiful bay once more - this time from a different perspective.

Not far to the top of the ridge now and on a nice day you can see many of our neighboring islands off the South Coast and of course the Fiordland mountains and lakes nearby.

When you arrive at Okaka, our lodge 'on top of the world' all you will have to do is unwind as you admire the views, and of course, take a hot shower. You will feel at home with our lodge managers' home cooking and hospitality.

## Day 2 Okaka Lodge to Port Craig Lodge - 20 km walking - 7 to 9 hours

After breakfast you wander down the Hump Ridge, with 360 degree views of Te Waewae bay, the South Coast, Waitutu terraces and mountains behind them.

While you are walking over the mighty wooden viaducts on the way to Port Craig Village, consider the men who built them almost a century ago. Our guide will share many stories from the days when Port Craig was a bustling sawmill town in the 1920's.

If you are interested in the history and relics that surround Port Craig, choose to take the interpretive trail or just meander down to the beach and spy our resident Hector's dolphins who live at the old wharf poles in the surf.

Awaiting you at the lodge, our friendly lodge manager will welcome you to your room and you can put your feet up and once again enjoy their hospitality while taking in your new coastal backdrop.

**Note: On day 2 and 3 you have to carry your own pack**

## Day 3 Port Craig Lodge to Tuatapere - 20 km walking - 5 to 7 hours

To complete the track, you will first walk out under native bush canopy, then along our beautiful golden beaches - one named Blowholes because of the ring of rocks the waves blow up though as they come to shore - a spectacular finish to a fantastic trip.

Walk back along the section you flew over on day one, and enjoy it once again but at beach level.

**Note: On day 2 and 3 you have to carry your own pack**

## pre tour checklist

**Please ensure you have the following items for your walking tour.**

Please note there is a maximum weight of 12Kgs per pack. This pack is the one you will carry on Day 2 & Day 3 so keep it as economically packed as possible. Remember you are the one who will carry it for Day 2 & Day 3. You may store your excess baggage at our office.

- Waterproof raincoat with hood and waterproof over-trousers
- Boots or strong walking shoes
- Merino or polypropylene thermal base layer – top and bottom
- Polar Fleece Jacket or Zip front Top
- Warm Hat
- Gloves
- Shorts or trousers
- Wool or thermal Socks
- Light sandals for evening at the Lodges
- Change of clothes for the Lodges
- Sunscreen and insect repellent
- Blister Pack or Foot Fleece
- Small torch or headlamp
- Camera
- Water Bottle – minimum 1L
- Personal toiletries (ie. toothbrush, toothpaste) and medication
- Phone/camera charger – limited charging points available in lodge common room
- Walking poles (highly recommended)
- Gaiters (highly recommended)

We do not recommend you walk in cotton garments, jeans or silk. These fabrics take much longer to dry after perspiration or wet weather and you may feel damp and cold, even inside the best raincoat.

Plan around three layers of clothing, your inner or core layer which should be wool (merino) or polypropylene to trap warmth against the skin, a middle layer, and a top waterproof layer to protect from rain and wind.

We will provide day packs for you to use on Day 1 whilst your main pack is helicoptered. You can then leave these daypacks behind at the lodge when you continue on Day 2.

Accommodation is provided in backcountry lodges which feature gas heating & cooking, solar lighting, flush toilets and shared bathroom facilities with hot showers. Those of you who have booked multi-share accommodation will be in rooms which sleep a maximum of 4 people while the private rooms are either twin or double. All linen and towels are provided.

Meals include cooked breakfasts, packed lunches and 3 course dinners. There is fresh fruit available and snacks are also supplied for your walk.

All guides are trained in First Aid and are in radio contact with each other, the lodges and the office at all times.

On day 1 your gear is transported by helicopter, however as the helicopter is unable to fly in fog or high winds, as such, on very inclement days we cannot guarantee that your luggage will reach you.

Whilst the Lodge Managers will make every effort to make sure you are as comfortable as possible, you will greatly assist your own comfort by carrying a few extra essentials, such as items of personal medication and spare thermals, in your pack.

It is essential to be well prepared when walking as New Zealand has very changeable weather patterns and Fiordland is well known for its high rainfall. The unpredictable nature of the weather in this region means that high winds and rain and even snow can occur at any time of the year. It is very important to be prepared for the worst weather conditions and carry the appropriate clothing. Exposure and hypothermia can affect anyone when the weather is wet, cold and windy so BE PREPARED!

### Can you pick me up for the tour?

Yes, if your tour starts in Nelson, Christchurch, Queenstown or Rotorua pickups and drop offs are available at most central city hotels and motels. Pick-ups are not possible at Airbnb properties or in residential suburbs. If your tour departs from Picton we ask you to make your own way to the meeting point on the wharf for the tour departure.

Your tour starts after we pick you up on the first day so please come having had breakfast. After this all meals on tour are included for you as per the trip inclusions in your itinerary.

### Do I need to come ready to walk or cycle?

Yes, please come dressed ready to walk or cycle with your overnight bag packed ready for the transport. During the day you will not have access to your overnight bag so please make sure to have all the items you require for use during the day packed separately. For some of the tours there is a ride of up to several hours in the bus to get to your start location, if you are not comfortable travelling in full walk or cycle gear, please have this readily available to change into before the walk /ride starts.

On some of the tour's luggage is transported by boat for you and there are restrictions on the size and weight of bags that can be transported, please check your trip notes for details if you are on the Abel Tasman or Queen Charlotte tours. On some of the hiking tours you may be required to carry your own pack, this is specified in the packing list for your trip.

### Are all your tours guided?

Our walking tours, with the exception of the Queen Charlotte Boat stay tour, are all guided by a knowledgeable local guide, they provide information on the terrain you are passing through as well as logistical support.

On a cycle tour you do not bike with a guide but there is a support vehicle and Tuatara staff with you throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike part of the trail with you to highlight places of interest or point out directions. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.
