The Abel Tasman Walk/Kayak 5 Days

the tour

The Abel Tasman Walk / Kayak - 5 Days tour takes you through the National Park the best way possible: on foot and by kayak. Plus, you'll have the luxury of 5 days to explore thoroughly! One of New Zealand's sunniest areas, the Abel Tasman National Park sits at the far northwest of the South Island.

It features lush native forest, golden sandy beaches, impressive headlands, and sparkling rivers, rock pools and ocean bays. Out kayaking, you may even see a seal colony. You'll stay in beachfront homesteads, with plenty of options each day, including simply ferrying from lodge to lodge if you'd prefer more relaxation. The expert guides will help you get the most from each day, and make sure you're fully briefed to sea kayak in safety.

at a glance

- Day 1 Nelson/Motueka to Awaroa via Totaranui
- Day 2 Explore Awaroa
- Day 3 Awaroa to Torrent Bay
- Day 4 Explore Torrent Bay
- Day 5 Torrent Bay to Motueka/ Nelson

trip grading

To determine the grade of a particular adventure we consider a number of factors. These include the condition of the terrain, the altitude, the number of pass crossings and the length of the trip.

The Abel Tasman Walk / Kayak - 5 Days is graded Mild: an average level of fitness, you should be comfortable walking 10 to 15km on well-formed tracks and roads with average incline.

start / finish times

Please confirm times with us before you book connecting airline flights. After NZ Daylight Saving ends in April, all trips start early with pick up in Nelson 7.15-7.40am and Motueka 8.15am for the Vista Cruise departure from Kaiteriteri at 9.20am. If Start/Finish times don't suit your itinerary, please contact us to make alternative arrangements. All the itineraries can be flexible to accommodate your needs or schedule.

Other important information: The 5 Day Kayak & Walk runs at the same time as the 5 Day Walk, so members of your travelling party can book different options, meeting up at the lodges in the evening. We reserve the right to alter itineraries, timetables and vessel types. All travel is subject to weather and tides which may cause delay or cancellation

The Abel Tasman Walk/Kayak 5 Days

itinerary

Options are available for this tour.

Pre Tour

On the night prior to your tour we will deliver a gear bag to your hotel/motel reception. This is the bag you will use for your overnight luggage for the tour. It is a black sports bag with a plastic liner and is yours to take away after the tour.

Please pack into this the items you will need each night at the lodges. Any excess gear can be stored for you at the walk office on the day of departure.

On the morning of your first day, you will be picked up from your accommodation, or if you have a car, you will be directed to safe parking. Day Packs can be borrowed if required, and excess luggage can be safely stored. There is a safe in the office for use if you need to store valuable items.

Lodges operate on a tab system so any payments for drinks etc are settled at the end of the tour.

Please Note: This tour is very flexible, with a number of options available to take optimal advantage of weather conditions for your walking comfort.

- The trip direction may be reversed in some cases, with an earlier pick up in Nelson and Motueka.

Remember: kayaking or walking each day is optional. You are welcome to travel on any of the scheduled ferry services, or you can switch from kayaking to join groups walking that section of the track. The flexibility is perfect for parties travelling together but not wanting to do the same activities. Please discuss options with your guide before each day's departure.

Kayak safety: When sea and weather are calm, sea kayaking requires little skill or strength. However, although the beaches are sheltered, weather conditions can change rapidly, and you may have to paddle against the wind. If you follow your guides' instructions, your kayaking will be safe and fun. The boat crew will provide full back-up if kayaking becomes too difficult. Double kayaks are used because of their stability, and the ease of having 2 people sharing the paddling.

Please ensure you have the following items for your walking tour.

Please ensure you have the following items ready for each day, either on you or in your day pack:

- Medium size day pack with waterproof liner, approx. 30 litre (we can loan you one if you don't have your own)
- Waterproof rain jacket with hood

- Woollen (merino) or polypro thermals (top and bottom)
- Polar fleece jacket or top
- Warm hat and gloves-fleece or woollen
- Pair of shorts / long trousers (preferably quick-dry fabric, you may have to roll up your trousers when embarking or disembarking from the kayak or launch and you may get wet)
- Swimsuit and small towel (Beach towels available for sale at our office)
- Sun hat, sun screen and sunglasses
- Insect repellent and hand sanitiser
- Drink bottle
- Any essential personal medication-including blister block
- Camera

The following items are also highly recommended and can be transported for you in your lodge bag to each lodge:

A sports bag (47x35x25cm) is supplied that is carried to your accommodation each day by launch, any extra luggage that will not fit in this bag can be stored for you at the office before you depart on your tour.

Lodges operate on a tab system so any payments for drinks etc are settled at the end of the tour.

Cellphones: coverage is intermittent south of Awaroa, there is no coverage north of Awaroa Bay.

Please use your surname or tour booking number as a reference when making a payment so we can identify it as yours.

When is the balance due? Your final balance is due 90 days prior to departure. We will email you a reminder when this is due. You are welcome to pay in instalments as long as your tour is paid in full by the due date. Please email us each time you make a payment so we can confirm receipt.

What if I need to cancel? Please see our Terms and conditions for our cancellation policy: <https://www.tuataratours.co.nz/terms-conditions/>. We do recommend you purchase travel insurance to cover you in the case that something unexpected happens and you cannot proceed with your tour.

How big are the groups? Normally we take a maximum of 12 people on a tour but are happy to cater to larger groups on request if you are planning to get a group together.

Do I have to share a room? The tours are priced on a twin share basis (2 people to a room), please let us know at the time of booking if you prefer a queen room (one queen bed) or a twin room (2 separate beds). If you are a solo traveller we will room you with another single person of the same gender, or you may wish to pay an additional single supplement to reserve a private room to yourself.

Am I fit enough? As a general guideline we suggest the following activity level guide for our tours:

Walking Tours:

Easy/Mild: An average level of fitness, you should be comfortable walking 12km on well-formed tracks and roads with a small amount of incline.

Moderate: An above average level of fitness, you should be comfortable walking 20km, on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, you should be comfortable walking 20+ km, on partially formed tracks and roads, some steep inclines, some easy river and creek crossings.

Cycle Tours:

Previous cycling experience is necessary to comfortably complete a multi-day cycle tour.

Easy/Mild: An average level of fitness, you should be comfortable biking 25km on well-formed tracks and roads with a small amount of incline.

Moderate: An above average level of fitness, you should be comfortable biking 45km on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, you should be comfortable biking 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

If you have any concerns about your fitness level, or ability to complete a tour, please call our office staff and we can discuss this further with you.

Can you pick me up for the tour? Yes, if your tour starts in Nelson, Christchurch, Queenstown or Rotorua pickups and drop offs are available at most central city hotels and motels. Pick-ups are not possible at Airbnb properties or in residential suburbs. Please check with our office before you book accommodation if you are not sure about the location of your stay. If your tour departs from Picton we ask you to make your own way to the meeting point on the wharf for the tour departure.

The Abel Tasman Walk/Kayak 5 Days

FAQ's - frequently asked questions - continued

What's the best time to do a trip? New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or fine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you. Gear lists are in our trip notes for each tour.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and has longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.

Do I have breakfast on the first day or is this included? Your tour starts after we pick you up on the first day so please come having had breakfast. After this all meals on tour are included for you as per the trip inclusions in your itinerary.

What sort of food do you provide? We provide continental breakfasts, either café or packed lunches, and an evening meal either in-house at your accommodation, or dining out at a local restaurant. We can cater for vegetarian, vegan, gluten free and dairy free diets, and most food allergies, however these need to be advised at the time of booking.

Do you provide alcohol? No but this can be purchased each evening with your meal, or you are welcome to bring a small amount for your own personal consumption. BYO is not available when dining at licensed premises.

Do I need to come ready to walk or cycle? Yes, please come dressed ready to walk or cycle with your overnight bag packed ready for the transport. During the day you will not have access to your overnight bag so please make sure to have all the items you require for use during the day, packed in a day pack for easy access. For some of the tours there is a ride of up to several hours in the bus to get to your start location, if you are not comfortable travelling in full walk or cycle gear, please have this readily available to change into before the walk /ride starts.

Can I fly in/fly out the same day? Ideally, we recommend you arrive the day prior to your tour and depart the morning after the tour finishes just in case there are any unexpected delays or cancellations to your flights.

Can I bring my own bike for the cycle tours? Yes, please make sure it has been serviced and is fit for purpose for the trail you are undertaking. If you are not sure, please check with our office staff on booking.

What comes with the hire bikes? Our hire E bikes, and standard bikes all come with a comfortable memory foam saddle and a rack bag for carrying your jacket, phone, and a drink bottle. Helmets and hi-vis garments are issued with each bike, and as helmets are required by law in New Zealand, we ask riders to wear these at all times while riding. The support vehicle is never far away if you need access to other items of your clothing or equipment.

How much luggage can I bring on tour? Space is limited so we would appreciate if you could please keep your luggage to one hand carry and one overnight bag or suitcase max 20kg. For the Abel Tasman we provide a bag for you to pack into (please see trip notes for the Abel Tasman tours) and for Queen Charlotte tours please limit luggage to 15kg as there are restrictions on the size and weight of bags that can be transported on the water taxis. On some of the hiking tours you may be required to carry your own pack, this is specified in the packing list for your trip

Are all your tours guided?

Our walking tours, with the exception of the Queen Charlotte Boat stay tour, are all guided by a knowledgeable local guide, they provide information on the terrain you are passing through as well as logistical support.

On a cycle tour we provide a support vehicle and driver-guide throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike a section of the trail with you to highlight places of interest or point out directions, but they do not guide the full trail. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.

If there is something we have not covered in these FAQ's please feel free to call **0800 377 378** or email our office team for further assistance.
