## itinerary

Custom Groups: Options are available for this tour.

### Day 1 Nelson (Richmond) to Motueka - 47km biking

We start our journey at Richmond between 8:30 and 9am. This section of Tasman's Great Taste Trail winds alongside the scenic Waimea Inlet which is the largest enclosed estuary in the South Island and home to a wide range of sea birds including the bar-tailed godwit, white heron, royal spoonbill, little egret, Australasian bittern, and banded rail. You ride to the popular recreation area/ beach on Rabbit Island and arrive at the Mapua Ferry, which transfers you to the seaside village of Mapua.

Leaving Mapua the trail runs along the coast, where you'll be rewarded with amazing views out across Tasman Bay and up to the Mt Arthur Range and Kahurangi National Park. From here the trail descends gradually to Motueka where you stay overnight.

### Day 2 Motueka to Takaka - 37.3km biking

Leaving Motueka behind, this section of Tasman's Great Taste Trail takes you through the beautiful fruit and hops growing area of the region and on to the picturesque seaside holiday mecca, and one of New Zealand's favourite beaches, Kaiteriteri.

In Kaiteriteri we board the vehicle and drive over the infamous Takaka Hill to Little Takaka. From here we ride down the idyllic Takaka Valley to the township of Takaka where our riding finishes for the day.

You will have time this afternoon to walk around Takaka and enjoy browsing through the arts and craft shops and galleries this area is known for.

Tonight we stay and dine in Takaka.

### Day 3 Takaka to Collingwood - 36.2km biking

This morning we ride the 6.7kms to the Waikoropupu (Pupu) Springs to see the clearest spring water in the world and enjoy the bush walk around the springs soaking up the unique features of this special place.

From the Waikoropupu (Pupu) Springs we ride along the quiet back roads to the Anatoki River and visit the Anatoki Salmon farm where if you are keen you can catch your own salmon and have it hot smoked for you.

Then it is all aboard the vehicle and drive north along the glorious coastal road to Collingwood, soaking up the fabulous views over the pristine waters of Golden Bay.

On arrival in Collingwood we are on the bikes again and ride to Puponga and on to Wharariki Beach.

Tonight we stay in Collingwood and travel a short distance to dine at the famous Mussel Inn and soak up the atmosphere of this charming brewery and eatery.

On leaving Bainham we cycle on down the valley riding through farm land until we meet the coastal road where we finish cycling for the day. Tonight we stay and dine in Takaka.

### Day 5 Takaka to Nelson - 34 km biking

This morning we drive back over the Takaka Hill to Riwaka and along a beautiful quiet back country road which meanders along following the west bank of the Motueka River, world famous for its brown trout and fly fishing.

**What if I need to cancel?** Please see our Terms and conditions for our cancellation policy: <https://www.tuataratours.co.nz/terms-conditions/>. We do recommend you purchase travel insurance to cover you in the case that something unexpected happens and you cannot proceed with your tour.

**Do I have to share a room?** The tours are priced on a twin share basis (2 people to a room), please let us know at the time of booking if you prefer a queen room (one queen bed) or a twin room (2 separate beds). If you are a solo traveller we will room you with another single person of the same gender, or you may wish to pay an additional single supplement to reserve a private room to yourself.

**Am I fit enough?** As a general guideline we suggest the following activity level guide for our tours:

### **Walking Tours:**

Easy/Mild: An average level of fitness, you should be comfortable walking 12km on well-formed tracks and roads with a small amount of incline.

Challenging: An above average level of fitness, you should be comfortable walking 20+ km, on partially formed tracks and roads, some steep inclines, some easy river and creek crossings.

### **Cycle Tours:**

Previous cycling experience is necessary to comfortably complete a multi-day cycle tour.

Easy/Mild: An average level of fitness, you should be comfortable biking 25km on well-formed tracks and roads with a small amount of incline.

Moderate: An above average level of fitness, you should be comfortable biking 45km on formed tracks and roads with some average to steep inclines at times.

## FAQ's - frequently asked questions - continued

**What's the best time to do a tour?** New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or fine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you. Gear lists are in our trip notes for each tour.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and has longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.

**Do I have breakfast on the first day or is this included?** Your tour starts after we pick you up on the first day so please come having had breakfast. After this all meals on tour are included for you as per the trip inclusions in your itinerary.

**What sort of food do you provide?** We provide continental breakfasts, either café or packed lunches, and an evening meal either in-house at your accommodation, or dining out at a local restaurant. We can cater for vegetarian, vegan, gluten free and dairy free diets, and most food allergies, however these need to be advised at the time of booking.

**Do you provide alcohol?** No but this can be purchased each evening with your meal, or you are welcome to bring a small amount for your own personal consumption. BYO is not available when dining at licensed premises.

**Do I need to come ready to walk or cycle?** Yes, please come dressed ready to walk or cycle with your overnight bag packed ready for the transport. During the day you will not have access to your overnight bag so please make sure to have all the items you require for use during the day, packed in a day pack for easy access. For some of the tours there is a ride of up to several hours in the bus to get to your start location, if you are not comfortable travelling in full walk or cycle gear, please have this readily available to change into before the walk/ride starts.

**Can I fly in/fly out the same day?** Ideally, we recommend you arrive the day prior to your tour and depart the morning after the tour finishes just in case there are any unexpected delays or cancellations to your flights.

**Can I bring my own bike for the cycle tours?** Yes, please make sure it has been serviced and is fit for purpose for the trail you are undertaking. If you are not sure, please check with our office staff on booking.

**What comes with the hire bikes?** Our hire E bikes, and standard bikes all come with a comfortable memory foam saddle and a rack bag for carrying your jacket, phone, and a drink bottle. Helmets and hi-vis garments are issued with each bike, and as helmets are required by law in New Zealand, we ask riders to wear these at all times while riding. The support vehicle is never far away if you need access to other items of your clothing or equipment.

**How much luggage can I bring on tour?** Space is limited so we would appreciate if you could please keep your luggage to one hand carry and one overnight bag or suitcase max 20kg. For the Abel Tasman we provide a bag for you to pack into (please see trip notes for the Abel Tasman tours) and for Queen Charlotte tours please limit luggage to 15kg as there are restrictions on the size and weight of bags that can be transported on the water taxis. On some of the hiking tours you may be required to carry your own pack, this is specified in the packing list for your tour.

### Are all your tours guided?

Our walking tours, with the exception of the Queen Charlotte Boat stay tour, are all guided by a knowledgeable local guide, they provide information on the terrain you are passing through as well as logistical support.

On a cycle tour we provide a support vehicle and driver-guide throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike a section of the trail with you to highlight places of interest or point out directions, but they do not guide the full trail. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.

If there is something we have not covered in these FAQ's please feel free to call **0800 377 378** or email our office team for further assistance.

### Weather

Adverse weather conditions may mean that planned activities cannot proceed as intended. A decision to change an advertised tour based on the weather conditions will be made by a tour guide at the time and is made in the best interest of the group and their safety. Tuatara Tours and or their contracted suppliers can not be held responsible to any changes as a result of the weather.

### General conditions

Tuatara Tours and their guides reserve the right to make any alterations to the itinerary in the interest of safety, or unforeseen circumstances due to causes such as weather, illness or misadventure. Every reasonable endeavour will be made to keep to published schedules but no guarantee is given. Tuatara Tours will not be held liable for costs incurred by change, delay or the missing of connecting services. Tuatara Tours reserves the right to exclude a person from a tour at any time, if in the opinion of the guide or operator, that person may be likely to risk the health, safety or comfort (including unsociable behaviour) of other clients, him or herself or the environment.
