itinerary

Custom Groups: Options are available for this tour.

Day 1 Picton to Ship Cove to Endeavour Inlet - 17km walking

Please make your way to the main town wharf, Picton (not Interislander Ferry terminal).

Your guide will be waiting to meet you at 7:15am in front of the Cougarline water taxi office.

There will be a tour briefing and introduction to the other members of your walking group, after which you head out on the water taxi to the start of the Queen Charlotte Track.

Please come ready to walk with items you will need during the day in your day pack (we will supply lunch and a drink bottle for you) and have your overnight gear in a separate bag, this will be transported ahead of you to the lodge.

Your walk today takes you from Ship Cove to Endeavour Inlet through virgin beech forest and bush, taking approximately 5 hours). From Ship Cove the track ascends and provides walkers with amazing views down into Resolution Bay and surrounding areas. If visibility is good, views as far as the Kapiti Islands and the North Island are able to be seen.

Following the track along the Tawa Saddle, gives way to further astounding views of the Endeavour Inlet. A short descent through magnificent native bush and crystal clear streams and then on to the shore line that leads you to your first nights accommodation.

Relax and unwind in this picturesque setting and enjoy dinner with your fellow walkers.

Day 2 Endeavour Inlet to Camp Bay - 11.5km walking

Day Two of The Queen Charlotte Walk is a relatively gentle day covering a distance of 11.5kms and takes approximately 4 hours. Walkers will follow the track from Endeavour Inlet to Camp Bay. Following mainly coastal tracks you will walk around the inlet through the native bush to the delightful sounds of fantails and bellbirds.

Endeavour Head has a colourful history dating back to the 1880's. It was originally a mining site of stibnite – an essential component of antimony used to produce pewter and harden steel. The mine employed over 400 people.

Walkers then pass through Big Bay and onto Camp Bay where Day Two ends. Spend the night relaxing in this idyllic spot.

FAQ's - frequently asked questions

How do we book a tour? The deposit is \$300 per person to confirm your place and can be paid with a credit card through our website at <https://www.tuataratours.co.nz/make-a-payment/> (we accept Visa or Mastercard with no card surcharges) or by internet banking or bank transfer (New Zealand bank account holders only) to Tuatara Tours NZ Ltd account: 01 0797 0308837 00. Please use your surname or tour booking number as a reference when making a payment so we can identify it as yours.

When is the balance due? Your final balance is due 90 days prior to departure. We will email you a reminder when this is due. You are welcome to pay in instalments as long as your tour is paid in full by the due date. Please email us each time you make a payment so we can confirm receipt.

What if I need to cancel? Please see our Terms and conditions for our cancellation policy: <https://www.tuataratours.co.nz/terms-conditions/>. We do recommend you purchase travel insurance to cover you in the case that something unexpected happens and you cannot proceed with your tour.

How big are the groups? Normally we take a maximum of 12 people on a tour but are happy to cater to larger groups on request if you are planning to get a group together.

Do I have to share a room? The tours are priced on a twin share basis (2 people to a room), please let us know at the time of booking if you prefer a queen room (one queen bed) or a twin room (2 separate beds). If you are a solo traveller we will room you with another single person of the same gender, or you may wish to pay an additional single supplement to reserve a private room to yourself.

Am I fit enough? As a general guideline we suggest the following activity level guide for our tours:

Walking Tours:

Easy/Mild: An average level of fitness, you should be comfortable walking 12km on well-formed tracks and roads with a small amount of incline.

Moderate: An above average level of fitness, you should be comfortable walking 20km, on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, you should be comfortable walking 20+ km, on partially formed tracks and roads, some steep inclines, some easy river and creek crossings.

Cycle Tours:

Previous cycling experience is necessary to comfortably complete a multi-day cycle tour.

Easy/Mild: An average level of fitness, you should be comfortable biking 25km on well-formed tracks and roads with a small amount of incline.

Moderate: An above average level of fitness, you should be comfortable biking 45km on formed tracks and roads with some average to steep inclines at times.

Challenging: An above average level of fitness, you should be comfortable biking 50+km on partially formed tracks and roads, some off-road, some steep inclines, some easy river and creek crossings.

If you have any concerns about your fitness level, or ability to complete a tour, please call our office staff and we can discuss this further with you.

Can you pick me up for the tour? Yes, if your tour starts in Nelson, Christchurch, Queenstown or Rotorua pickups and drop offs are available at most central city hotels and motels. Pick-ups are not possible at Airbnb properties or in residential suburbs. Please check with our office before you book accommodation if you are not sure about the location of your stay. If your tour departs from Picton we ask you to make your own way to the meeting point on the wharf for the tour departure.

The Queen Charlotte Walk

FAQ's - frequently asked questions - continued

What's the best time to do a tour? New Zealand is known to have four seasons in a day. Rain can be expected at any time throughout the year, and we depart rain, or fine so you should always be prepared for sudden changes in weather or temperature and always have the appropriate gear with you. Gear lists are in our trip notes for each tour.

Spring (September-November) and Autumn (March-May) are generally cooler months for experiencing the outdoors with temperatures averaging 15-25 degrees during the day.

Summer (December-February) is usually warmer with averages of 20-30 degrees and has longer sunshine hours due to daylight saving. We typically see more activity on the trails over February, March and April so September to December can be a quieter time to travel if you prefer trails less busy.

Do I have breakfast on the first day or is this included? Your tour starts after we pick you up on the first day so please come having had breakfast. After this all meals on tour are included for you as per the trip inclusions in your itinerary.

What sort of food do you provide? We provide continental breakfasts, either café or packed lunches, and an evening meal either in-house at your accommodation, or dining out at a local restaurant. We can cater for vegetarian, vegan, gluten free and dairy free diets, and most food allergies, however these need to be advised at the time of booking.

Do you provide alcohol? No but this can be purchased each evening with your meal, or you are welcome to bring a small amount for your own personal consumption. BYO is not available when dining at licensed premises.

Do I need to come ready to walk or cycle? Yes, please come dressed ready to walk or cycle with your overnight bag packed ready for the transport. During the day you will not have access to your overnight bag so please make sure to have all the items you require for use during the day, packed in a day pack for easy access. For some of the tours there is a ride of up to several hours in the bus to get to your start location, if you are not comfortable travelling in full walk or cycle gear, please have this readily available to change into before the walk /ride starts.

Can I fly in/fly out the same day? Ideally, we recommend you arrive the day prior to your tour and depart the morning after the tour finishes just in case there are any unexpected delays or cancellations to your flights.

Can I bring my own bike for the cycle tours? Yes, please make sure it has been serviced and is fit for purpose for the trail you are undertaking. If you are not sure, please check with our office staff on booking.

What comes with the hire bikes? Our hire E bikes, and standard bikes all come with a comfortable memory foam saddle and a rack bag for carrying your jacket, phone, and a drink bottle. Helmets and hi-vis garments are issued with each bike, and as helmets are required by law in New Zealand, we ask riders to wear these at all times while riding. The support vehicle is never far away if you need access to other items of your clothing or equipment.

How much luggage can I bring on tour? Space is limited so we would appreciate if you could please keep your luggage to one hand carry and one overnight bag or suitcase max 20kg. For the Abel Tasman we provide a bag for you to pack into (please see trip notes for the Abel Tasman tours) and for Queen Charlotte tours please limit luggage to 15kg as there are restrictions on the size and weight of bags that can be transported on the water taxis. On some of the hiking tours you may be required to carry your own pack, this is specified in the packing list for your tour

Are all your tours guided?

Our walking tours, with the exception of the Queen Charlotte Boat stay tour, are all guided by a knowledgeable local guide, they provide information on the terrain you are passing through as well as logistical support.

On a cycle tour we provide a support vehicle and driver-guide throughout to help with any bike issues, first aid, trail instructions and to set up for meal breaks. On occasion they will bike a section of the trail with you to highlight places of interest or point out directions, but they do not guide the full trail. If anyone needs to take a break from the riding, you are welcome to make use of the vehicle at any stage.

If there is something we have not covered in these FAQ's please feel free to call **0800 377 378** or email our office team for further assistance.
